

# Wherever You Go, You're Always My Friend

HEIDI SATTERBERG

*Our friendship knows no boundaries,  
Even when we're apart.  
From east to west, north to south,  
We're connected heart-to-heart.*

*May the road rise to meet you,  
May the wind be always at your back,  
May the sun shine warmly on your face,  
The rains fall soft upon your fields.  
And until we meet again,  
May God hold you in the palm of His hand.*

*IRISH BLESSING*

You're willing to let me lean on you  
When alone I cannot stand.

You know just when to speak, or not,  
Or to lend a helping hand.

*Friends are born,  
not made.*

The better you know  
someone, the  
less there is to  
say. Or, maybe  
there's less that needs to be said.

A real friend is one who  
walks in when the rest  
of the world walks out.

WALTER WINCHELL

There comes that mysterious meeting in  
life when someone acknowledges who  
we are and what we can be, igniting the  
circuits of our highest potential.

RUSTY BERKUS

*In a friend  
you find a  
second self.*

*I*t didn't take long for us to know  
That our friendship  
would continue to blossom.  
Just like a rare and fragrant flower,  
I find it totally awesome.

A friend is someone  
who reaches out for  
your hand...and  
touches your heart.

KATHLEEN GROVE

*Because of the trust I have in you,  
My secrets I freely share.  
I build no walls around my heart,  
For I know you truly care.*

*Walking with a friend in  
the dark is better than  
walking alone in the light.*

Don't be dismayed  
at good-byes.  
A farewell is  
necessary before  
you can  
meet again.  
And meeting  
again, after  
moments or  
lifetimes, is  
certain for those  
who are friends.

RICHARD BACH

Those who loved you and were  
helped by you will remember  
you when forget-me-nots have  
withered. Carve your name on  
hearts, not on marble.

CHARLES H. SPURGEON

*A friend is someone who  
understands your past, believes  
in your future, and accepts you  
today just the way you are.*

ROBERT LOUIS STEVENSON

Many friends may come our way;  
Though some won't last life-long.  
Yet our friendship has stayed secure...  
Like a fortress, true and strong.

*Go often to the house of thy friend,  
for weeds choke the unused path.*

RALPH WALDO EMERSON

Your friendship means so much to me;  
You're special and unique.  
Incredible qualities you possess,  
They make you "magnifique."

*Friends are the chocolate  
chips in the cookie of life.*

The only way to have  
a friend is to be one.

RALPH WALDO EMERSON

What is a friend? I will tell  
you . . . it is someone with  
whom you dare to be yourself.

FRANK CRANE

Wherever  
you are, it is  
your friends  
who make  
your world.

Just you "being you"  
Brings such color to my world.  
Your life is like a rainbow ribbon  
Which dazzles when unfurled.

Friends are those  
rare people who  
ask how you are  
and then wait to  
hear the answer.

*W*henever I'm feeling discouraged,  
You always seem to know.  
You're free with words of encouragement,  
I bask in the warmth of their glow.

*Friends are the  
sunshine of life.*

JOHN HAY

*Let us be grateful  
to people who make  
us happy; they  
are the charming  
gardeners who make  
our souls blossom.*

MARCEL PROUST

*It is a sweet thing, friendship, a dear balm,  
A happy and auspicious bird of calm...*

SHELLEY

There are moments in life  
when the voice of a friend  
can sound like a choir  
of angels to the heart.

Sometimes when life's pressures build,  
I'm as grouchy as a bear.  
But as a "faithful," loving friend,  
You let me know you care.

If I had a single  
flower for every  
time I think of you,  
I could walk forever  
in my garden.

*Claudia Grandi*

When I'm feeling "down and under,"  
Or just a little blue,  
You seem to know just what I need  
When I don't have a clue.

*Thus nature has no love for solitude,  
and always leans, as it were, on some  
support; and the sweetest support is  
found in the most intimate friendship.*

*A friend hears the song in my heart  
and sings it to me when my memory fails.*

My friends are my  
estate. Forgive me then  
the avarice to hoard  
them. They tell me those  
who were poor early  
have different views of  
gold. I don't know how  
that is. God is not so  
wary as we, else He  
would give us no friends,  
lest we forget Him.

EMILY DICKINSON

I'd like to be the sort of friend  
That you have been to me.  
I'd like to be the help that you've been  
Always glad to be;  
I'd like to mean as much to you  
Each minute of the day,  
As you have meant, old friend of mine,  
To me along the way.

EDGAR GUEST

*Friendship is a single soul  
dwelling in two bodies.*

ARISTOTLE

Africa

I've searched the whole world over,  
And I'm not surprised to find...  
That you're the greatest friend on earth.  
You're truly one-of-a-kind.

Never shall I forget the days I spend  
with you. Continue to be my friend, as  
you will always find me yours.

LUDWIG VAN BEETHOVEN

I'm grateful for our history;  
Our friendship's been sublime.  
We built it well, step-by-step,  
To stand the test of time.

*A friend loves at all times.*

For when two beings who are not friends are near each other there is no meeting, and when friends are far apart there is no separation.

SIMONE WEIL

*A friend is a gift  
you give yourself.*

ROBERT LOUIS STEVENSON

I don't remember how we  
happened to meet each other.  
I don't remember who got along  
with whom first.  
All I can remember is all of us  
together...always.

*I*t makes me want to celebrate  
To have a friend like you.

You are God's special gift to me;  
You're valued through and through.

*And Pooh said to Piglet,  
"Life is so much  
friendlier with two."*

A. A. MILNE

Sometimes I tend to guard my heart  
When I feel like life's a trial.

You show me that God cares for me,  
Which always makes me smile!

We're not sisters by birth, but we  
knew from the start,  
Something put us together to be  
sisters of the heart.

But friendship is precious,  
not only in the shade, but  
in the sunshine of life; and  
thanks to a benevolent  
arrangement of things,  
the greater part of life is sunshine.

THOMAS JEFFERSON

*Think where man's glory most  
begins and ends,  
And say my glory was I had  
such friends.*

WILLIAM YEATS

If I had one gift that  
I could give you,  
my friend, it would  
be the ability to  
see yourself as  
others see you,  
because only then  
would you know  
how extremely  
special you are.

I'd travel to the ends-of-the-earth

For a friend as dear as you.

Over hill or dale or snow-packed trail,

Our friendship is true-blue.

*Friendship is the only cement that*

*will ever hold the world together.*

WOODROW WILSON

Your role in life lets you wear  
A variety of hats.

The “amigo” one you wear so well  
Is a grand one! My congrats!

Friends warm you with their presence,  
Trust you with their secrets,  
And remember you in their prayers.

We are all travelers in the wilderness of  
this world, and the best we can find in  
our travels is an honest friend.

ROBERT LOUIS STEVENSON

Once in a while you meet someone and soon  
you discover the two of you are truly some-  
thing special to each other...you  
share your thoughts and feelings  
so relaxed, so openly, and  
right away you know your  
friendship's meant to be.

GARY HARRINGTON

If, out of time, I could pick one moment  
And keep it shining, always new,  
Of all the days that I have lived,  
I'd pick the moment I met you.
